

Welcome to Mirit Weinstock.com an on line international fashion community!

Mirit weinstock.com is an artistic fashion website inviting different women from all around the world to take self portraits, wearing Mirit Weinstock clothes.

We are creating an on line international fashion community, where we upload daily a new girl with her self portraits and profile with links to other photo sharing sites she takes part in, or her own website filled with her creations and things that inspire her.

The website will also have a weekly fashion blog, an online boutique and hopefully will turn out to be an international exhibition.
